

OPEN TOPIC POSTDOC POSITIONS

Date

Purpose

With the funding of 5 open topic postdoc positions, cfaed seeks to further promote collaborations and research projects that:

- translate results of the cfaed Cluster-of-Excellence-phase (2012-2019) to application-oriented research or
- advance achieved results and insights for further collaborative research or
- bring new collaborators together or
- have the potential to lay foundations for a new Cluster of Excellence application.

Topic Requirements

Essential:

- in line with cfaed mission
- at least 2 cfaed (associated) investigators
- convincing potential for third-party funding proposals within 2 years

Desirable:

- new collaboration
- cross-layer/multidisciplinary
- availability/integration of matching funds
- investigators' engagement in cfaed

Candidate Requirements and Position

- doctoral thesis less than 3 years ago
- proven research excellence
- full-time position
- fixed-term (two years) contracts
- TV-L E13
- evaluation after one year
