International conference

Nanobiosensors: new materials and systems

4-5th September 2017

Call for abstracts

Submit your abstract by 25th July 2017

Travel grants

- Nanomaterials
- Wearable and flexible electronics
- Full packaging
- Wireless detection
- Lab on a chip

Travel and accommodation up to 300 EUR for young researchers

Submit your abstract by 25th July 2017
